## ABOUT OUR MISSIONARY

Pastor Jerome works as a missionary in Haiti along with his wife and family. He serves under the direction of International Gospel Missions. He is currently the Pastor of Good Shepherd Baptist Church. His goal since 1990 has been to plant churches throughout Haiti.

He founded the mission of Good Shepherd in order to spread the Gospel and meet needs of others by sharing the love of Jesus through social actions. His desire is that the Word of God is made known. Since 1994 He has assisted in planting 4 Bible teaching churches across Haiti.

He also works in providing Christian education through 3 schools and feed the poor through the Feeding Program. In 2010 a great earthquake hit leveling their church and school. As well as taking the life of their precious son, friends and 300,000 other lives. They still feel the effects of that earthquake today.

He is here for the purpose of fellowship in the Word and sharing with you the opportunity to be a partner in what His church is doing for his community, and for the sake of the Gospel. The projects ahead of their church is a big task, but we serve a big God.
