We will also have a gospel track, a bible devotional and a flyer for our church in the bags. ## Sermon Notes

The Age of Law

Giving of the Law until the Death of Christ

The Scriptures give us several insights into the dispensation of law.

1. Four definite statements about the Law (Gal. 6:19).
2. The shortcomings of the law.
3. The consequences of failure to obey (Jas. 2:10).
4. The purpose of the law stated clearly.

The Law demands obedience – can it produce it? No, because of the weakness of our flesh.

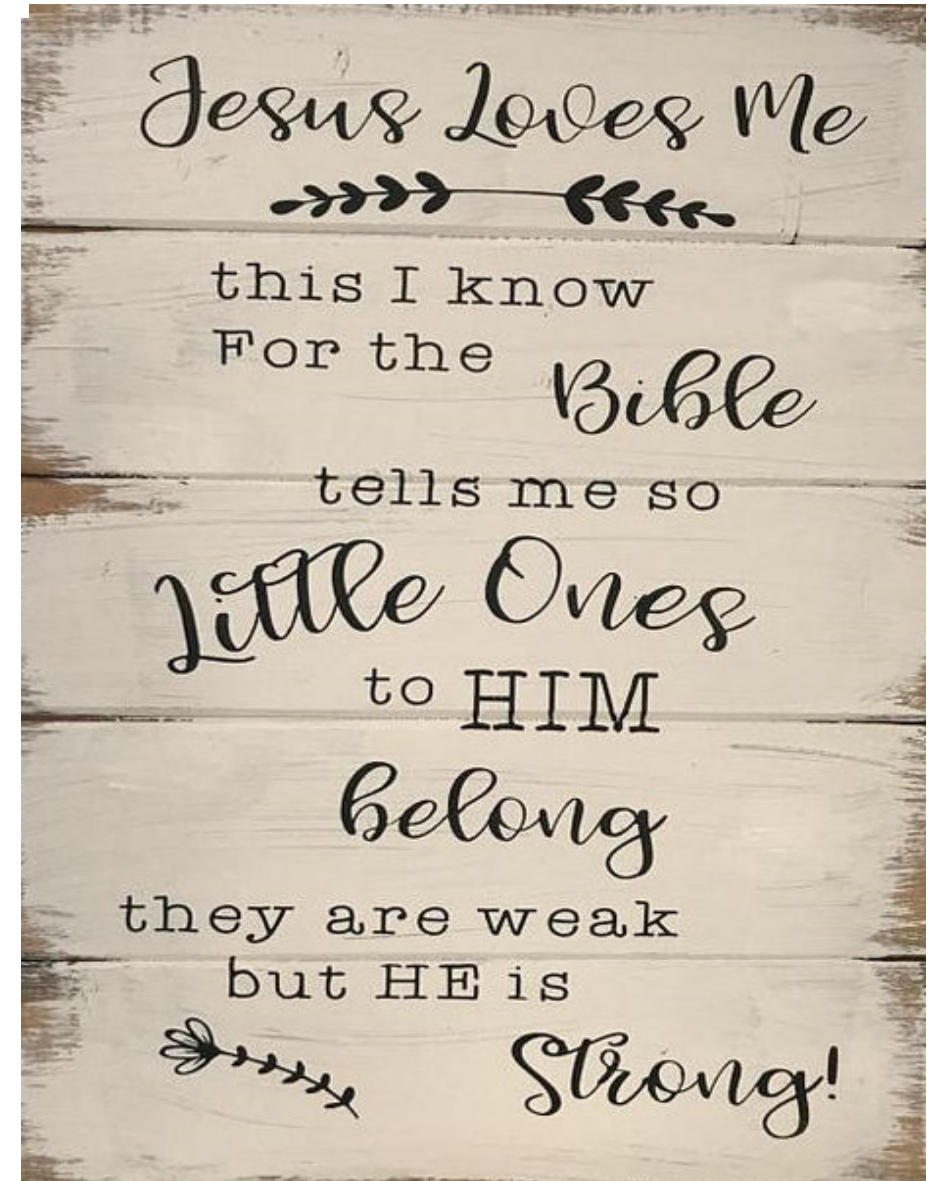

The Law requires righteousness- can it provide it? No, no flesh is justified in his sight.

The Law reveals sin- can it take away sin? No

The Law uncovers the wickedness of the human heart- can it change it? No
